To Whom This May Concern:

As Office Administrator & Speaker/Workshop Coordinator for Unity Church in Pontiac, I have had the privilege of scheduling and attending the “Launching from Good to Great” half-day workshop that Lori Prokop provided for us. Most certainly, Lori has proven herself to be a well informed, professional and highly motivating leader in her field.

Lori is a delightful presence, often adding a bit of humor to the material and reflective process. Personally, I found Lori’s insights to be a revelation to some common errors that I was unintentionally making. After realizing these mistakes and then applying the solution, my life experiences immediately improved. I can sincerely declare that this workshop was the best half-day workshop I have ever attended – and I have attended my fair share of workshops!

We at Unity Church in Pontiac, Michigan eagerly anticipate Lori’s next visit with us, when we know we will be gifted with even more life-enhancing strategies and tools from the wisdom she so generously shares.

In closing, I acknowledge that it is my honor to highly recommend Lori Prokop’s “Launching from Good to Great” Workshop for your presentation needs. If I can be of further service in this matter, please feel free to call or e-mail.

Sincerely,

Linda A. Fisher-Piccolo
